The following survey of lands was received and examined by this department:

Section 33, Town of Cross Plains
Owner/Development: Schulenberg

Comments:

CTH S is a controlled access highway. No new accesses will be permitted to CTH S. No access to be designated across the frontage of CTH S except for the area of the joint access which will require an easment for lot 1, lot 2, and remaining ag lands that currently utilize this access. Right of way appears to be correct.
