

DANE COUNTY SHERIFF'S OFFICE CRIME BULLETIN

10/24/18

TOWN OF DUNN BURGLARY/THEFT FROM AUTO

Dane County Deputies are attempting to identify a young black male suspect who was captured on surveillance video at a residence on Stoney Crest Rd. in the Town of Dunn on the evening of 10/23. A multitude of theft from auto and burglary incidents were reported between 11:30 pm on 10/23 and 9:00 am on 10/24 in three neighborhoods within the Town. A variety of property was removed from these cars/residences including an Apple MacBook, \$1,100 cash, credit cards, wallets, purses, and a garage door opener.

It appears there was no forced entry to any of the residences or vehicles as most victims reported the property was not secured.

Please notify the Dane County Sheriff's Office in the event you can identify the suspect pictured in this bulletin.

The image to the right was captured in late September from a surveillance camera at a residence in the Town of Burke. A similar cluster of thefts and burglaries also took place during this time. The suspect from this series appears to resemble the individual below.
