

## Cross Plains 2022 Comprehensive Plan Update: Estimated Project Timeline

\* Please note, the greatest determinant of cost is the amount of staff time devoted to a given task. Meetings usually involve a considerable amount of staff hours - preparation, travel (if live), and the meeting itself. One of the best ways to control cost is to have very productive meetings. For purposes of this estimate, we estimate 3 hours per live meeting, (one hour for travel) and 2 hours per virtual meeting
